**RESOURCE GUIDE**

WORLD TRADE CENTER®  
UTAH

WORLD TRADE CENTER®  
UTAH

Dear Internationalists,

Welcome to the World Trade Center Utah (WTC Utah) Resource Directory. As you look to expand your current operations to new countries or take that first leap into exporting, we hope you will use this directory as a tool to help you find partners and organizations that can help.

The information in this resource directory was carefully reviewed and compiled by WTC Utah's staff. Within these pages you will find contact information for private, public and non-profit organizations that are eager to assist you.

Though we tried to be as thorough as possible with listing relevant organizations in this resource directory, it is possible that we missed a few. If you are an organization that would like to be included in the directory, email your request to [info@wtcutah.com](mailto:info@wtcutah.com).

With 95 percent of the world's customers living outside of the U.S., there is no reason to limit your growth. The opportunities abroad are abundant, and we want to continue to help you maximize these opportunities.

Happy exporting!

Derek B. Miller  
WTC Utah President & CEO
